multiple answers problem

Posted by shalafi - 2011/09/02 10:28

Hi, I have a question with 8 answers of which 2 are correct. I set the score to 2. What I need is, if the user gives only one correct answer not both, to set the score of the question to 1 instead of 0 as it does now.

Hello,

The extension doesn't support this ability.

Regards,
ARI Soft
