## Question Count

Posted by kitapokuyorum - 2010/12/06 18:41

---

It is about the Quiz list of Ari Quiz admin site.

Could you replace "view" links under the Questions column with the numbers of the related quiz.

Lets say one quiz have 15 question and admin would like to see it without click the view link. A preview is attached.

p.s.:my request is also valid for results column. <http://www.ari-soft.com/images/fbfiles/images/preview.png>

Hello,

We'll add this ability in a future release.

Regards,  
ARI Soft
