# Picture and links in ARI SQL Table

Posted by nondos - 2009/06/01 20:22

_____

Hello,

Is it possible to put Picture and links in ARI SQL Table?
What do I have to put in the field in the SQL TABLE?

Thanks

_____

Hello,

You can specify image and link in SQL query, for example:

SELECT
  id,
  CONCAT('') AS Img1,
  CONCAT('
