Hello,
I already had bought one licence of Ari Smart Content, and I'd like to buy one more. I understand that its sheaper than the first licence but I don't know how to proceed. Should I choose the product and the system will recognize that I already have one licence and give my decuction automaticaly?

Hello,

You can read about our discounts here. Sorry, but your case is not specified in discounts and 'ARI Smart Content' will cost the standard price.

Regards,
ARI Soft
