
Where is ARI JData Visualizer and ARI 3D Chart

Posted by mrirts - 2013/06/06 15:26

Hello,

i bought today the ARI Smart Content: DataTable Pack.

<http://www.ari-soft.com/Joomla-Components/ARI-Smart-Content-DataTable-Pack.html?flypage=0>

But ARI JData Visualizer and ARI 3D Chart is not in the Pack :unsure: :unsure:

Where can i get it?

Thanks

=====

Hello,

The plugins are available in Plugins repository. Each plugin from the repository contains readme.txt file with instructions how to install it.

Regards,
ARI Soft
