
Incorrect license key entered??

Posted by mymistral - 2008/12/07 22:45

when i apply this license code

xxxxx

or

xxxxx

receive this msg "Incorrect license key entered"

???

Hello,

You have generated license key for <http://www.recoverylife.tv>. This is not correct, please read warning messages while generating license key. We deleted incorrect license key, please go to member area and generate new one for domain [recoverylife.tv](http://www.recoverylife.tv) (without <http://www.>).

Regards,

ARI Soft
