
jDialog without link

Posted by AYahoo - 2009/04/08 11:00

I think it would be great to have the option to add the jDialog box, but without having the user to have to press the link for it to appear.

Asaf.

Hello,

We have good news. Now 'ARI JDialog' plugin supports feature about you wrote. You can manage it with help 'autoOpen' parameter.

Regards,
ARI Soft
