Change Menu text(font) Color to White and Bold
Posted by faizkhan81 - 2011/02/02 21:55
_____

Hey Guyz,

I need some help .
I m really new to joomla .
I like to know how can i change text(Font) color of left menu to White
and Make it Bold

http://fdesgins.co.cc

Thanks in Advance

Hello,

Sorry, but we try to open provided link into a browser, we see only this error:

"Error: You haven't selected slide group or selected group haven't any slides"

Regards,
ARI Soft

_____

It is not our menu module. Our menu extensions are "ARI Ext Menu" and "ARI YUI Menu".

Regards,
ARI Soft
