How to remove bullets in horizontal menu ?

Posted by Lakshan - 2011/05/27 16:52

Hello,

Please tell me how to remove bullets in horizontal menu and drop down menu.

Here you can check it - http://lionlk.com http://www.ari-soft.com/images/fbfiles/images/horz_menu.png

Hello,

Add the next CSS rule:

```
.yuimenubar ul li
{
 background-image: none;
}
```

Regards,
ARI Soft
