Hello,

Add the next CSS rules:

```
#nav .yuimenuubar UL,  
body .yui-skin-sam .yuimenuubar LI  
{  
    margin-left: 0  
}
```

```
body .yui-skin-sam .yuimenuubar,  
body .yui-skin-sam .yuimenuubarnav .yuimenuubaritem,  
body .yui-skin-sam .yuimenuubaritemlabel  
{  
    border-style: none;  
}
```

Regards,
ARI Soft
