
need a background for drop down sub menu

Posted by dewinky - 2011/08/20 20:00

Hi there,

my sub menu is near invisible when the main menu item is selected how can i make it have a background.

also the menu does not dynamically adjust to the amount of menu items (horizontally).. http://www.ari-soft.com/images/fbfiles/images/help_with_menu.png

Hello,

Provide link to page where we can see the problem.

Regards,
ARI Soft

The problem with site template styles. Add the next CSS rule:

```
#leftmenu .yui-skin-sam .yuimenubar ul
{
  position: static;
}
```
