## Seeing my menu and logo over the photos !?

Posted by InternetEP - 2012/01/12 00:11

---

I bought your product yesterday work great except i see the menu and logo seems over the pop-up image look the image i have attached

How can i solve this,

Thanks

ep

This is a conflict with site template styles. Add the next CSS rules to a site template file to avoid it:

```
body h1.logo a,  
body #hornav,  
body #hornav li  
{  
  z-index: 20000 !important;  
}
```
