not working like demo
Posted by cungkring - 2012/08/08 07:47

Hi mate,

i used the module and why they working like this

http://www.freeimagehosting.net/t/1r8an.jpg
or you can see at this link
http://www.freeimagehosting.net/1r8an

and not working like demo..

How to fix that?

Thanks, and sorry for my bad language

Hello,

Where we can see the menu on your site?

Regards,
ARI Soft

You can see at here
http://www.freeimagehosting.net/1r8an
at top menu home, industries, services, company.

Thanks

We can't investigate the problem by a screenshot. Provide a link to a page where we you use the module.

Regards,
ARI Soft

You can check right here http://www.proxsisgroup.com

and how to delete border box?

Thanks

Lol...
I am really sorry mate
i think i used wrong module, supposed to be i used a ARI Ext Menu

ARI Ext Menu module is not work like your demo module

Regards

Cungkring
