No download ? Posted by Lemonie - 2013/01/14 20:42
the link to download is broken (404) on the website. Will this be coming back as I have lost my site and need to reinstall
Re:No download? Posted by admin - 2013/01/14 20:59
The extension can be downloaded here.
PS: We have also sent the extension by email.
Regards, ARI Soft
