
Bit of blue showing through

Posted by Phixon - 2010/08/17 11:17

I love this extension, but having a little trouble removing a bit of blue when hovering over a sub menu item in IE 7

Attached is an image of the problem.

Thanks guys! <http://www.ari-soft.com/images/fbfiles/images/blueness.jpg>

Hello,

Provide link to page where we can see this issue.

Regards,
ARI Soft

My apologies, password removed.

Thanks
