Hello,

Try to add the following CSS rules to CSS template file:

```
DIV#header DIV.ux-menu-container UL.ux-menu-horizontal
{
  display: -moz-inline-stack;
  display: inline-block;
  zoom:1;
  *display: inline;
}
```

Hello,

This trick doesn't work because you changed your Joomla! template or module position. Use the following CSS rules:

```
BODY DIV.ux-menu-container
{
  text-align: center;
}
```

```
BODY DIV.ux-menu-container UL.ux-menu-horizontal
{
  display: -moz-inline-stack;
  display: inline-block;
  zoom:1;
  *display: inline;
}
```
