Level 2 appears between level 1

Posted by tubauwe - 2014/10/08 21:10

_____

Is it possible that the entries of e.g. level 2 appears vertical between the selected entry and the next entry of level 1?

For example:

Nothing of level 1 selected:

Home

_____

Hello,

"ARI Ext Menu" is a drop-down menu. It doesn't work as accordion.

Regards,
ARI Soft
