
Problem with hover colors in mozilla

Posted by silvanael - 2014/10/14 08:29

Hi!

First I would like to thank you for this great menu but I have some problems. In Google Chrome everything looks fine but in Mozilla and IE8 there is no hover background color, no current color as well and no rounded menu... I'm not good with CSS so I need your help. The website is idesigns.pl

Thanks and sorry for my bad English

Hello,

Set "Load ExtJS library" parameter to "Yes" in module settings.

This is the CSS code I use:

```
.ux-menu-container .ux-menu a
{
background: none;
line-height: 10px !important;
border-style: none !important;
}
```

```
.ux-menu-container .ux-menu .ux-menu-sub a
```

```
{
background: transparent url(http://www.idesigns.pl/images/7ugJo.png) repeat !important;
}
```

```
UL.ux-menu LI A
```

```
{
border-bottom-style: none;
border-top-style: none;
}
```

```
.ux-menu-horizontal LI A.ux-menu-link-first,
.ux-menu-sub LI A.ux-menu-link-first
```

```
{
-moz-border-radius: 10px 0 0 10px;
-webkit-border-radius: 10px 0 0 10px;
-o-border-radius: 10px 0 0 10px;
}
```

```
-ms-border-radius: 10px 0 0 10px;
border-radius: 10px 0 0 10px;
border-style: none !important;
}
```

```
.ux-menu-horizontal LI A.ux-menu-link-last,
.ux-menu-sub LI A.ux-menu-link-last
{
-moz-border-radius: 0 10px 10px 0;
-webkit-border-radius: 0 10px 10px 0;
-o-border-radius: 0 10px 10px 0;
-ms-border-radius: 0 10px 10px 0;
border-radius: 0 10px 10px 0;
border-style: none !important;
}
```

```
.ux-menu-horizontal LI A.ux-menu-link-first.ux-menu-link-last,
.ux-menu-sub LI A.ux-menu-link-first.ux-menu-link-last
{
-moz-border-radius: 10px 10px 10px 10px;
-webkit-border-radius: 10px 10px 10px 10px;
-o-border-radius: 10px 10px 10px 10px;
-ms-border-radius: 0 10px 10px 0;
border-radius: 10px 10px 10px 10px;
}
```

Your custom CSS rules contains error. The following CSS rule:

```
.ux-menu-container .ux-menu .ux-menu-sub a
{
background: transparent url(http://www.idesigns.pl/images/7ugJo.png) repeat !important;
}
```

Should be:

```
.ux-menu-container .ux-menu .ux-menu-sub a
{
background: transparent url("http://www.idesigns.pl/images/7ugJo.png") repeat !important;
}
```

Yeahhh!

Thanks!! it's working now!

I have one more question is there a way to have such butiful green hover opacity like on this site?

Hello,

Use "z-Index" parameter in module settings to decrease value of z-index for the menu and resolve the problem with phoca gallery. For sub-menu styles use "Sub-menu items styles" parameters section in module settings.

ok so first i set use main styles no and then for testing i set:

background color #18bda4 (not working)

text color to 1fdb1f (working)

hover bk color #264e8a (not working)

hover text color to #264e8a (working)

current bk color to #b01584 not workinh you can see it on indesigns.pl "nasi partnerzy" maby my code from previus page change something?

Background colors are not applied due to your custom CSS rule:

```
.ux-menu-container .ux-menu .ux-menu-sub a
```

```
{  
background: transparent url("http://www.idesigns.pl/images/7ugJo.png") repeat !important;  
}
```
