Margin left only in first menu item

Posted by zielpak - 2014/12/22 15:32

Hi all! how i can do only in first one menu item margin?

if i do

```
.ux-menu-container UL.ux-menu LI,
.ux-menu-container UL.ux-menu LI A
{
 border-top: none;
  border-bottom: none;
 margin-left:25px;
}
```

all items have left margin but i want only first :(
Thanks for respond!

Hello,

It seems you have resolved the problem?

Yes just need to add

```
.menu {
  padding-bottom: 25px;
}
```

to css :)
