menu border

Posted by Roger654 - 2015/10/22 22:52

_____

HI

How do you delete the grey border box on the menu, I have tried various edits in the css box without success.
(site I am working on is : tennisbound.co.uk)
Thanks

_____

Hello,

Add the following CSS rule to "CSS Styles" parameter in module settings:

.ux-menu A {border-width:0 !important;}

Regards,
ARI Soft

_____

Perfect

That has worked great

Many thanks

SOLVED :)
