## Vertical alignment

Hello,  
I need to vertical align the texts inside the menu.  
My menu is in the attached file.  
So i need to align vertical menu items like the word "HAIR CARE" to be in the middle. Now they are at the top of the menu.

Thanks. [http://www.ari-soft.com/images/fbfiles/images/Untitled\\_1-1c1d984beb4cb64ecdf8d7b4ea3b51cc.png](http://www.ari-soft.com/images/fbfiles/images/Untitled_1-1c1d984beb4cb64ecdf8d7b4ea3b51cc.png)

Thanks for the reply.  
It's internal i haven't publish it yet.  
I have added at the css styles the code:

```
UL.ux-menu A
{
width:69px;
text-align:center;
vertical-align:middle;
position:relative;
}
```

```
UL.ux-menu A {
border-style: none !important;
}
```

```
UL.ux-menu LI A.ux-menu-link-level-0
{
border-style: none !important;
border-left-style: solid !important;
}
```

```
UL.ux-menu LI A.ux-menu-link-level-0.ux-menu-link-first
{
border-left-style: none !important;
}
```

For delete borders and for wrap the texts.  
But i also want to align the text center (vertical)
