Solved - Save Button/Any Buttons Not Working

Posted by jmarian1 - 2016/12/15 23:32

_____

Hi. I installed this module to our upgraded joomla 3.5.1 version and all buttons are not working except the Close button. I am unable to save any work done. Please help. Thank you.

_____

Hello,

Is it possible to see the problem anywhere so we can investigate it?

Regards,
ARI Soft
