This problem with site template styles. Add the following CSS rules:

```
#mainNav .ux-menu-container li a
{
    text-indent: 0;
}
```

```
#mainNav .ux-menu-container li li
{
    height: auto;
}
```

Regards,
ARI Soft

Thx so much! :woohoo:

Your help was so useful. I appreciate it greatly.

Thx again.
