Hi, I used menu for a long time in horizontal position,

Not I want to change it with vertical position, but the sub items are not showing.

You can see the menu on the left :

Hello,

Add the next CSS rules:

```
body .art-contentLayout .art-sidebar1
{
  overflow: visible;
  z-index: 2;
}
```

```
body .art-contentLayout .art-content
{
  z-index: 1;
}
```
