
Still no drop down menus

Posted by Element115 - 2010/09/28 08:25

After adding all of your previous solutions to my css page, I still have no drop-downs. It works fine if set to vertical, but doesn't drop in horizontal mode. Please see at (www.4x-moneymachine.com)

Hello,

This problem with site template styles. Add the following CSS rule:

```
body #header
{
    overflow: visible;
}
```

Regards,
ARI Soft

WOW! That was really fast! I've been looking at this for a few days and you fixed the problem with 2 lines!

Can you tell me how to make the white box around the menu titles invisible and make the text in the menus white so it looks good on the blue bar in the background? :)

I'll send you \$50 in PayPal for the CSS code to make that happen! The menus should look like the picture attached, only they should have the drop down feature. http://www.ari-soft.com/images/fbfiles/images/Picture_6.png

Add the following CSS rules to /templates/theme419/css/template.css file:

```
.block-top-menu .ux-menu-container
{
    height: 40px;
}
.block-top-menu .ux-menu-container ul.ux-menu li a
{
    font-weight: 10;
    color: #FFF;
    background: transparent none;
    border-style: none;
```

```
height: 20px;
}

.ux-menu-container ul.ux-menu li a.ux-menu-link-hover
{
background: transparent url("../images/bg_menu_hover.gif") repeat !important;
}

ul.ux-menu li a.current
{
background:url("../images/bg_menu_hover.gif") repeat-x scroll 0 0 transparent !important;
color:#101E37 !important;
opacity:0.7;
}

.ux-menu-container ul.ux-menu li
{
border-style: none;
border-width: 0;
}

ul.ux-menu li
{
background: url("../images/devider_top_menu.gif") no-repeat scroll left top transparent;
border: medium none;
display: block;
float: left;
margin: 0 0 0 -2px;
padding: 0;
}
```

It is almost there! The menu in normal mode looks great, but the drop down now is almost invisible.

I know you'll get the last piece figured out, so please be sure to send me the email address to send PayPal payment to.

THANKS!

The screenshot doesn't contain drop-down menus if you describe how it should look we help to create necessary styles for it. Regarding payment, we don't have PayPal account, but you can buy necessary amount of Work Units and pay for it through 2CheckOut payment system which accepts PayPal payments.

Regards,
ARI Soft

I purchased the units. How do I get them to you?

2nd, I'd like to clean up the little drop-down triangles which appear on the menu items that have the drop-down function. Where is that artwork located?

Thanks again! http://www.ari-soft.com/images/fbfiles/images/Picture_7.png

Hello,

Arrow image is located by the following path:

/modules/mod_ariextmenu/mod_ariextmenu/js/css/images/menu-arrow-down.png

Regarding payment, don't worry we'll receive it within couple of days.

Regards,
ARI Soft
