
Remove bottom border from submenu

Posted by Ifish - 2010/10/08 17:01

Hello,

I am trying to remove the bottom border(line) that shows up after each item on the submenu. I have tried several things and nothing is working. The link to the site is: http://www.diverseintellectual.com/vccs_new_site/index.php.

Any help appreciated.

Thanks,

Hello,

Add the following CSS rules to 'CSS Styles' parameter in module settings:

```
.header .ux-menu .ux-menu-sub LI A
{
background-image: none;
}

.header .ux-menu .ux-menu-sub LI A:hover
{
background-image: url("modules/mod_ariextmenu/mod_ariextmenu/js/css/images/menu-item-bg-over.png");
}
```
