_____

Hello,

Could you explain what do you mean?

Regards,
ARI Soft

_____

When the question published, the countdown for answering display at the right side, 10s as a default, so how to change or add more time for student to answer that question. please see attachment. http://www.ari-soft.com/images/fbfiles/images/question.JPG

_____

Set "Question Time" parameter in quiz settings or if you use question categories in question category parameters.
