music in the question
Posted by psych.clw - 2011/09/06 06:05

_____

i'm trying to create music question using JosDewPlayer and it doesn't work
is it possible somehow?

_____

Hello,

JosDewPlayer is content plugin. Joomla! executes content plugins only in articles.

Regards,
ARI Soft

_____

Try to find a system plugin.

Regards,
ARI Soft
