Lag time & Attempt count for guests?(non register)
Posted by jd1 - 2012/07/16 09:49
_____

Hey guys,

Firstly let me start by saying your free version of the quiz is great.

Now to my question, Is it possible to apply the Lag time & Attempt count for non registered users?

Cheers,

John

_____

Hello,

The parameters work only for registered users.

Regards,
ARI Soft
