
Quiz Results

Posted by neoplasma - 2010/01/08 12:42

hi all
i need help. i want delete Quiz Results but where or how

ver: ARI Quiz Lite 1.0.4

thanks

Hello,

Currently ARI Quiz Lite doesn't support this ability. You can use ARI Quiz or run the following SQL queries:

```
TRUNCATE TABLE #__ariquizstatistics;  
TRUNCATE TABLE #__ariquizstatisticsinfo;
```

Where '#__' is Joomla! table prefix, usually it is 'jos_'.

Regards,
ARI Soft
