_____

thank you for the component, it's great
the only problem is
i've made a menu item for quiz , after choosing this item in frontend
after answering first question, it redirects to main page and continue questions there.what should i do to change this,i
don't want it to redirect.

Hello,

We can investigate the problem if you provide a link to a page where we can see the problem and temporary access to
your Joomla! backend by email.
