## Release one student

Posted by ilan5555 - 2012/08/20 00:52

---

If I put on the attempt count "1" and I want to give only to a specific student the option to take the exam again, how can I do it?

Hello,

The extension doesn't provide ability to provide access to quizzes for specific users. It requires modification of the extension.

Regards,  
ARI Soft
