---

Hello,

Open "Components -> ARI Quiz Lite -> Quizzes" page on Joomla! backend, create a quiz (if you didn't create it before) and click by "View" link in "Questions" column in quizzes data grid:

<http://www.ari-soft.com/images/fbfiles/images/questions-c60911dbcf50444ef862590fc17eda64.jpg>

After this you will quiz questions page.

Regards,  
ARI Soft
