
Blank page if time out

Posted by sandeep - 2010/04/06 14:24

Hi,

I have an issue, if question is not answered with the given time, then the page redirects to blank page. :(if i click back button in browser then the page will skip to next question.

{index.php?option=com_ariquizlite&task=question&ticketId=e05ac89d5c5d418275856b1954720395&Itemid=1.}

this would remain in address bar. can you help in finding out the solution for this problem.

please do help as soon as possible..

Hello,

Download and re-install the component, please.

Regards,
ARI Soft
