ariquiz and alphauserpoint

Posted by marcos_andrade - 2013/06/04 21:22

_____

Good afternoon, I'm from Brazil and I'm using the google translator.
Installed ariquiz usersharepoint lite and put the score when answering the quiz is not computed.
I have already installed the plugin to the complatibilidade ariquiz
Can someone help me.

_____

Hello,

"ARI Quiz AlphaUserPoints" plugin is compatible only with "ARI Quiz" extension. It doesn't work with "ARI Quiz Lite".

Regards,
ARI Soft
