
Show username and not full name

Posted by Sandro Panzeri - 2010/05/18 20:04

He.

I write from Italy, excuse me for my english.

I would like to know if I can see (or the way to see) in "ARI Quiz results", "ARI Quiz top results" and others moduls NOT the full name of users, but the username.

Thank'you very much.

Sandro

Hello,

Modules from ARI Quiz Lite don't provide this possibility, but modules from ARI Quiz provide this.

Regards,

ARI Soft
