Hello,

This feature is not supported by "ARI Quiz Lite", but "ARI Quiz" supports this feature.

Regards,
ARI Soft

Hi, I installed ARI QiuZ Lite yesterday and so far I have learnd to make questiens, but I want give the user feedback
about his/hers answer by text or/and picture after the quiz is done. Is that possible? :dry:

Hello,

"ARI Quiz Lite" doesn't support ability. It is supported by "ARI Quiz".

Regards,
ARI Soft

"ARI Quiz" demo page is here. You can see frontend and backend parts of the extension. Complete any quiz and see results on final page.
