## superscript text on a question

Posted by manspan - 2014/04/09 10:17

---

Is it possible to insert superscript text (eg X<sup>n</sup>) on a question?

Hello,

It is possible to use HTML code in questions.

Regards,  
ARI Soft

"ARI Quiz Lite" doesn't support ability to use HTML code in answers, but this feature is supported by "ARI Quiz" extension.
