
Compatible quizzes from lite version to full

Posted by M.Crane - 2014/10/06 17:02

Sorry, I need to know how compatible quizzes are with the lite version to full version? I am thinking about buying it, but I need to try first. If I will have lost my quizzes what I made after buying full version I will not be glad.

Thanks,

Mark

Hello,

It is possible to upgrade "ARI Quiz Lite" to "ARI Quiz". All quizzes from "ARI Quiz Lite" will be available in "ARI Quiz".
