Hello,

"ARI Quiz Lite" doesn't support this feature. It is supported by "ARI Quiz".

why is it so? could I ask you to open this feature in the light version?

:-)

for some non-commercial projects that would be very convenient and useful

"ARI Quiz Lite" contains base features to create simple quizzes. Extended features are available in "ARI Quiz". Some discount can be provided for non-commercial projects. If you are interested in it, contact us by email.
