
how to create thumbnails for the article image???

Posted by shayir - 2011/07/02 12:32

Please help me ,

How to change thumbnail folder path, i need each article thier own thumbnails...What should i do ,.If its not possible then this module s waste for me...

Please help me

Hello,

Do you load module into an article with help "Content - ARI Slider" extension and want to use different folder for navigation images?

Regards,

ARI Soft
