
Title not showing

Posted by acreativepage - 2011/08/12 23:44

The description is showing but the totle is not. Below is a copy of my ariimageslider.ini which is located in the same folder as the images. Website address: <http://www.acreativepage.com/imac/>

```
img-01.jpg="WELCOME"  
img-02.jpg="WELCOME"  
img-03.jpg="OPPORTUNITIES"  
img-04.jpg="OPPORTUNITIES"
```

```
img-01.jpg="We vigilantly strive to establish an atmosphere of partnering on every project and work to break the barriers  
inherent to the contractor-client relationship."  
img-02.jpg="We vigilantly strive to establish an atmosphere of partnering on every project and work to break the barriers  
inherent to the contractor-client relationship."  
img-03.jpg="IMAC believes the health and longevity of our company is based upon repeat and referral business, and that  
our employees are the key building blocks to creating and maintaining satisfied customers."  
img-04.jpg="IMAC believes the health and longevity of our company is based upon repeat and referral business, and that  
our employees are the key building blocks to creating and maintaining satisfied customers."
```

Hello,

"TITLE" section is used when the module is integrated with a lightbox extension.

Regards,
ARI Soft
