
Category Setting not saving

Posted by eleeptg - 2011/11/03 09:16

Using Joomla 1.7, I click on the category..but it doesn't seem to be saving. it still shows all my articles in the slider. If I go to simple mode and select an article, ti doesn't seem to be saving there either. Any suggestions?

Thx

Hello,

Check that "System - ARI Extensions" plugin is installed and enabled.
