Module will not work with menu enabled

Posted by givensel - 2012/12/31 01:19
_____

Module will not work with SHOW MENU set to YES.

I had the module set to AUTO ROTATE with no menu and that worked fine.

I Decided to use menu feature, however content disappears as soon as I set SHOW MENU to YES.

Please see site:
http://www.mauicjc.org/

Content under ***Testing 12-30-12*** disappeared when SHOW MENU is set to YES.

Please Help.
