
Slider dosnt show me images

Posted by guillepagano - 2014/08/04 16:44

In the ari slider some images const show

Im looking for this problem and it seems to be some trouble with the JQuery but how can I solve it?

Check it out on:

<http://barracasanitariapaysandu.com>

Thanks

Hello,

Try to use non-zero values for "Box cols" and "Box rows" parameters.

Regards,
ARI Soft
