## How to make ARI slides responsive?
Posted by mistan - 2014/08/19 23:07

---

Is it possible to make the slides responsive?  Thanks for everything.

Tony

Hello,

ARI Cloud Carousel Pro is responsive.

Reards,
ARI Soft

"ARI Slider" can fit size to parent width and height. For this see "Fit to parent width" and "Fit to parent height" parameters.

Regards,
ARI Soft
