Navegation at the top?

Posted by scharfet - 2010/11/15 08:13

_____

Hello,

I have one more question about the "ARI Slider". Is it possible to change the navegation from the bottom to the top? Here I made a photomontage:

http://www.estudiohr.com/ZZZ/slider-ari.png

Thank you very much.

_____

Hello,

Set "Menu position" parameter to "Top".

Your support is awesome!
I will write a feedback on http://extensions.joomla.org

Thank you very much!
