[SOLVED] Caption doesn\'t appear on first image
Posted by timread - 2011/02/24 08:27

_____

Hi There,
Thanks for the great plugin!
Just one problem - when the lightbox pops up, the first image is always missing the caption.
After that, when you scroll through the lightbox, the captions appears.
Any ideas?

Hello,

Could you provide link to page where we can see this problem and specify in what browser it happens?

Regards,
ARI Soft

Wow - thanks for the quick reply!
It occurs in Firefox 3.6.13, IE 8 and Chrome 9.0.597.98 (I didn't test the others)

The URL is:
http://www.bell-salter.co.uk/index.php?option=com_content&view=article&id=126&Itemid=62
