[SOLVED] How to change the text colour?

Posted by timread - 2011/03/06 17:58

Hi there,
How can I change the colour of the text in the lightbox description area (between Prev and Next arrows)?
Tim

Hello,

Add the next CSS rules to site template CSS file:

```
#SLB-Caption
{
 color: red !important;
}
```

Regards,
ARI Soft

Wow! You're so quick!
Thanks, that's great. :)
