# youtube play control?

Posted by mistan - 2011/03/30 05:01
_____

How can I make youtube play control buttons work with ligthbox?  It shows now, but not accessible?  link here

Thanks,  Tony

_____

Hello,

Open "System- ARI Sexy Lightbox" plugin settings page and change "Fancy black" theme to any other theme except "Fancy white".

Regards,
ARI Soft

_____

That fixed it, Thanks.
One more question, How can I get rid off the white bar on top of the box? see attached image.    Thanks, Tony

_____

Background color of the top bar can be set in "ARI Cloud Carousel" module settings with help "Lightbox integration -> Background color" parameter.

Regards,
ARI Soft

_____

Could you specify what code do you use that embed the video?

Regards,
ARI Soft
